

**Minutes from the Standing Committee on Technology**  
**Wednesday, March 20, 2008 1:00 PM**

Action Items.

1. Meeting minutes for March 5, 2008 were approved.

Discussion.

2. Jeff Kirkey collected past surveys and will connect with Paul to coordinate questions.
3. Joe Firestone identified a resource for the 2002-37 review. The eFiling Task Force submitted comments on 2002-37. (This document, ADM 2002-17, ADM2002-37.pdf, was sent to the listserv 3/20/08).
4. Vince Polley discussed 902A and proof of no tampering and proper maintenance for documents, signatures, and video. Jim LaMacchia asked if the rule was State or Federal based. Nicholas D'isa thought this was breaking new ground. In 6A, Vince Polley thought the court should also be satisfied. Tim Cordes asked if it added value to current rules of evidence and ensure no tampering.
5. Paul will contact the libraries section to obtain any meeting minutes they may have regarding the MRE proposal.
6. Paul asked everyone to send 2002-37 comments centered on the ADM 2002-17, ADM2002-37.pdf to the listserv. The comments for the State Bar Board of Commissioners are due Friday, March 28. Comments are needed in advance of that date to make a document. Instead of having a meeting to vote on the final document, the collected comments will be turned into a review document and it will be shared to the committee via the listserve
7. The next meeting is a teleconference scheduled for 4/24/08 at 3:30 PM.

Respectfully submitted,  
Will Kramer
