

ATJ FUND - SUPPORTING CIVIL LEGAL AID TO THE POOR IN MICHIGAN

The State Bar of Michigan, the Michigan State Bar Foundation and Michigan's nonprofit civil legal aid programs encourage all Michigan lawyers to contribute to the Access to Justice Fund **statewide permanent endowment** to generate ongoing and sustainable revenue to support civil legal aid throughout the state. Donations to this fund support the provision of civil legal services in every part of the state. You may also designate your Access to Justice Fund donation for an **individual legal aid program** for that program's operations or endowment. A list of eligible partner programs appears below.
